Early Bird Rate: In order to qualify for any “early bird” rates or discounts, booking and payment must be received before the deadline date listed in the conference marketing material.

Government Rate Eligibility: The government rate is open to employees of a national/federal, state, provincial, or local government entity, including public higher education institutions. Government contractors or private education institutions are not eligible for the government discount or GSA hotel rates. GSA hotel rates are subject to availability and may change after booking based on current GSA rate guidelines.

Team Discount Program: Team must consist of employees of the same organization and discounts only apply to the same conference. At those conferences where we offer the Team Discount Program, there is a limit of four Team Rate Discount complimentary registrations per organization per conference. Should TWST Events postpone an event, your registration will automatically roll over to the new date. Please

be advised, workshops are subject to cancellation 30 days before the event. Canceling your registration does not automatically cancel your hotel or travel arrangements.
